Qingdao Fresh Dynamic Import and Export

## About us

FRESH DYNAMIC is a fast-growing company in the international market for frozen fruit, vegetables, herbal spices and fried vegetables, driven by a team of seasoned industry professionals with over 20 years of experience in global trade. United from diverse backgrounds within the frozen food sector, our team brings deep expertise to every facet of our operations.

Founded in 2021, FRESH DYNAMIC has quickly built a strong reputation for delivering premium-quality frozen goods on time. Our reach extends across the United States, Canada, Europe, Australia, and South America—reflecting our commitment to reliability and excellence.

Our supplier network, strategically located throughout China, is fully certified to internationally recognized standards such as BRC, HACCP, and FDA registration as well as HALAL and KOSHER certificates. This ensures that every product we deliver meets the highest benchmarks for food safety and quality.

We also offer custom vegetable growing as special projects—tailored to meet specific client needs from seed to shipment. With access to over 1,000 greenhouses and extensive farmlands, we have the capacity and flexibility to cultivate a wide range of crops based on specific requirements.

In 2024 alone, we successfully exported more than 7,000 tons of frozen produce to global markets—demonstrating our capacity to meet diverse customer needs at scale.

At FRESH DYNAMIC, we live by the philosophy that Clients Matter Most. With an unwavering focus on quality and timely delivery, we are committed to building long-term partnerships and expanding our global presence.

## Fresh Dynamic

### One-Stop Sourcing

We partner with dozens of verified factories across China, giving you access to a full range of high-quality IQF Fruit and vegetables at highly competitive prices.

### All-in-One Supply

Say goodbye to juggling multiple vendors. We consolidate your orders into a single, efficient shipment — saving you time, cost, and logistical complexity.

### Fluent Communication

Our bilingual team communicates fluently in both English and Chinese, ensuring smooth coordination and eliminating language barriers throughout the process.

### Strict Quality Control & Supervision

Every shipment undergoes rigorous lab testing and quality control procedures. We send our own supervisors to oversee production and container loading — so your quality is always assured.

### Flexible Packaging for Retail & Smoothies

Thanks to our strong factory partnerships, we can provide customized packaging — including small-size fruit mixes ideal for smoothies and retail shelves — tailored to meet your specific needs.

# Frequently Asked Questions

## Your Questions Answered

### **What is your MOQ (Minimum Order Quantity)?**

Our MOQ depends on the product, but we typically offer full or mixed container loads to meet your sourcing requirements efficiently.

### **Do you offer product and packaging customization?**

Yes, we do. We can help design your logo, brand, and packaging — including bags, boxes, cartons, and labels. We also accommodate special requests such as adjusting filling recipes, packing styles, and product sizes to match your specific needs.

### **How do you ensure product quality?**

We work only with reliable, certified factories that hold BRC, ISO, HALAL, HACCP, and other internationally recognized certifications. Our quality control team supervises the entire process before every shipment to ensure safety and consistent product quality — your satisfaction is guaranteed.

### **Can we obtain product samples?**

Yes, samples are available upon request. Freight costs are typically covered by the buyer.

# Factory Certifications

At Fresh Dynamic, we work exclusively with factories that hold internationally recognized certifications, ensuring the highest standards of quality and food safety throughout our supply chain.

All partner factories are certified under the BRC Global Standard for Food Safety, guaranteeing strict compliance with international requirements for hygiene, traceability, and production control. In addition, many of them are certified under HACCP, Kosher, and Halal standards, allowing us to serve a diverse range of global markets with confidence.

By partnering only with certified producers, we ensure that every product we export meets the strictest international expectations for safety, consistency, and quality.
